Applications: Introductory SolidWorks, Catia, AutoForm and AutoCAD, Microsoft Word, Excel, PowerPoint

Programming: MATLAB, C++

Languages: Fluent in Turkish, English and French

RELEVANT EXPERIENCE

Bosch Rexroth, Bursa, Turkey
Co-op in Logistics Department

Sept.-Dec. 2014

Ford Car Company, Cologne, Germany
Co-op in Stamping Department

Sept.-Dec. 2013

•Gained understanding of metal stamping process

•Assisted with research project observing aluminum forming behavior in material lab

•Created an Excel spreadsheet documenting differences between simulation and real results of press lines to maximize their utilization

•Gained understanding of Catia and AutoForm

Renault Car Factory, Bursa, Turkey
Intern in the Metrology Lab

July 2012

•Observed all kinds of measurements that occur in the lab

•Measured surface roughness of parts of the car engine by using electronic surface roughness tester

•Gained a better understanding of the organization in a car factory

Ford Car Company, Izmit, Turkey
Intern in the Tool and Die section

July 2010

•Shadowed engineers in the Tool and Die section

•Observed how engineers with different tasks and majors integrate with each other

VOLUNTEER EXPERIENCE

•Teaching math and english to primary schools students, India

February 2010

BACKGROUND AND INTERESTS

•Playing piano (19 years), tennis, basketball

•Enjoy swimming and skiing
